

Welcome to The Peninsula on Lake Granbury

Last Updated Sunday, 22 August 2021

Thank you for visiting TPOLG.com, The Peninsula on Lake Granbury's community site. The Peninsula is a beautiful gated community located on Lake Granbury just minutes north of the Historic Granbury Square and less than an hour SW from the DFW Metroplex. Set amongst a peaceful countryside with extraordinary lake views, The Peninsula offers a quietly secluded environment yet with family entertainment, restaurants, and shopping just minutes away. Founded in 1998, this community was built on what was once Stockton Bend on the Brazos River. In 2004, the area was newly incorporated into the city of Brazos Bend, TX, and is officially governed by an elected Homeowners Association Board and by its Bylaws and Covenants. The Peninsula is truly a wonderful community and a great place to call home.

We welcome all visitors to TPOLG.com. We hope the information about the community, available properties, the Homeowners Association, Brazos Bend, Granbury, and the surrounding area will help in the decision to make The Peninsula your new home.
